

MISSION U trains lay people to share the Gospel in a 21st century setting. Each host congregation can choose the course appropriate for its members from a list of five options:

- **MU 101 – EQUIPPING TO SHARE: EVERYDAY EVANGELISM**

Learn to overcome fear and to effectively share your faith within three relationship models: brief encounters, close relationships, and in times of crisis. Practice telling the Gospel story.

- **MU 102 – EQUIPPING TO SHARE: STORIES AND STYLES**

Clarify and practice telling your faith story in ways that point to the Savior. Recognize multiple styles and contexts for sharing your faith and learn to apply them to everyday life.

- **MU 201 – EQUIPPING TO SHARE: TOUGH QUESTIONS**

Learn how to identify, classify and get to the root of tough questions and objections to Christianity, and practice giving sensitive and relevant answers that point to the Savior, using messages of “Law” and “Gospel” as appropriate.

- **MU 202/301 – EQUIPPING TO SHARE: A CULTURE OF OUTREACH**

Learn to assess your congregational environment and identify specific outreach opportunities that will connect you with your community. Learn how to compassionately share Jesus Christ in today’s pluralistic, anything-goes culture.

Courses are offered as a four-hour Saturday workshop at a hosting congregation. If you would like to request a different delivery format, please contact us. Continuing education is delivered throughout the year via monthly training Webinars. This “Special Speaker Series” is a live, one-hour-long, interactive Webinar that takes place one Saturday a month. Each session features an expert speaker on a unique evangelism or outreach topic.
