

BETHESDA, HOT SPRINGS CELEBRATES MARIANNE ALLEN'S RETIREMENT

After serving as a Commissioned Minister at Bethesda Lutheran School in Hot Springs for the past fourteen years, Marianne Allen has retired as teacher in the Primary School. Leading the little children to the cross of Jesus has been her passion. Her entire service at Bethesda has been in a multi-grade classroom with most years serving children in grades K-2. At her retirement event, Mrs. Allen was presented with a beautiful quilt with classroom composite pictures of all her children over the course of those fourteen years. We wish Mrs. Allen God's blessings as she begins this new chapter on her life's journey.
