

Standing For Life With Other Christians

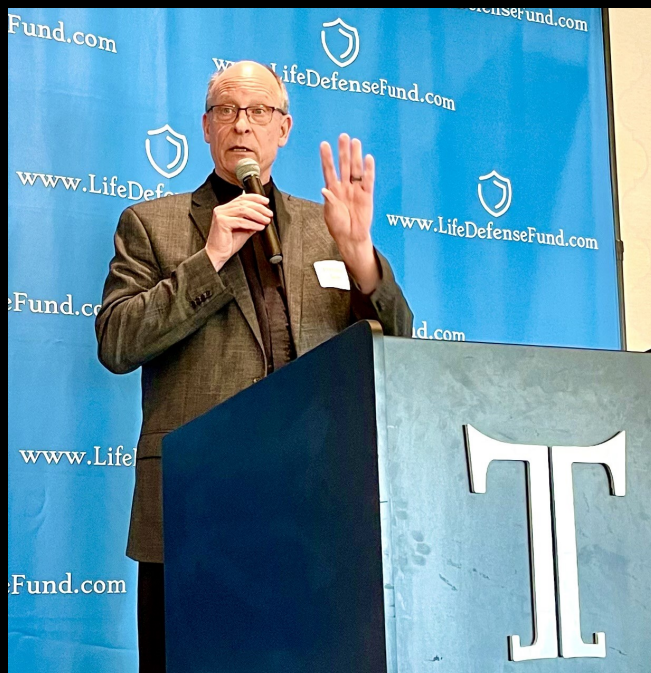

LCMS pastors and laypeople were well-represented at the Life Defense Fund Luncheon, on Tuesday, November 28, 2023, at the Country Club of Sioux Falls. District President, Rev. Dr. Scott Sailer, co-hosted the event with Sioux Falls Catholic Diocese Bishop, Rev. Donald DeGroot. We stand with many fellow Christians in South Dakota in affirming life from conception to natural birth and in opposing efforts to amend the constitution of the State of South Dakota, permitting abortions up until the time of birth. Go to www.LifeDefenseFund.com for more information.
